## DEPARTMENT OF SOCIAL SERVICES

### Section 11.210      Children's Division – Children's Treatment Services

Book 3, page 44

This appropriation provides services for families and children to prevent child abuse and neglect, and treat the negative consequences when child abuse and neglect occurs. These services are administered by third party providers and include counseling, therapy, parent aide, educational services, and intensive in-home services. These services are provided in order to keep children from entering alternative care as well as return children safely to their homes. The services provided are: Traditional CTS Services, in families where children are identified as abused or neglected, or at risk of abuse or neglect. Crisis Nurseries, contracts are awarded to providers who provide short-term, temporary childcare, which is voluntarily sought by families for children at risk of abuse or neglect. Family Reunion is a short-term, intensive, family-based program designed to reunify children who are in out-of-home care with their family. Juvenile Court Diversion was implemented in 1987 for the purpose of diverting children from the custody and supervision of the Division.

Section 11.210 continued    Children's Division – Crisis Care

Book 3, page 54

This section provides funding for temporary care for children, whose parents/guardians are experiencing an unexpected and unstable/serious condition that requires immediate action resulting in short term care, and without this care the children are at risk for abuse and neglect or at risk of entering state custody. Crisis Nurseries serve children ages birth through 12 years of age (and siblings of these children if necessary). Care for this age group is typically due to an immediate emergency where the parent has no other support systems to provide care and the child is too young to be left alone, such as parental incarceration, another sick child in the household, child care provider calls in sick and the parent must work, parental illness, etc. This section also provides funding for a safe haven for teenagers, ages 13 through 17 years, who are experiencing a crisis at home. In order to qualify for crisis care services, it must be determined that the teen has no other place to go and without this care is at risk of living on the street or in other inappropriate or unsafe environments, or alternatively entering state custody.

### Section 11.250      Children's Division – Independent Living Placements

Book 3, page 164

The Chafee Independent Living program serves the following purposes: To identify children who are likely to remain in foster care until 18 years of age and to help these children make the transition to self sufficiency through formal life skills training and curriculum; to help children who are likely to remain in foster care until 18 years of age receive education training and services necessary to obtain employment; to provide personal and emotional support to children aging out of foster care through mentoring and the promotion of interactions with dedicated adults; and to provide financial, housing, counseling, employment, education and other support services to former foster care recipients between 18 and 21 years of age to complement their own efforts to achieve self sufficiency.

This new decision item would allow the statewide CASA agency to enter into an agreement with the Children's Division to access federal money to support their training programs. The Federal Administration for Children and Families (ACF) has identified the specific CASA training components that qualify as Title IV-E reimbursable training funds. The state General Revenue match for this funding is \$200,000 in the judiciary budget, and OSCA does not use this funding for any other federal match.
